Barry Massey discussed a request to change some of the tournament dates to avoid conflicts with Michigan Majors tournaments, Flint 700 tournaments, and Ann Arbor 700 tournaments. By avoiding the same weekends, there will be more bowlers potentially available for our tournaments. The months that need to be changed are as follows:

December – change to December 19th

January – change to January 16th

March – change to March 20th

The dates will not change unless it is approved by the respective host house. Barry is to contact each house and determine if it is feasible to change dates.

Sales of raffle tickets:

Barry purchased raffle tickets from Ogemaw Lanes for 50/50, Strike Ball, and Ball Raffle.

The following people are assigned to sell the following tickets:

Strike Ball – Ian Gillette

50/50 – Blake

Ball Raffle – Levi Sancrant

We need three 5-gallon buckets for the raffle tickets.

All raffle tickets shall be in strips of 7. They will be sold as follows: 1 strip for \$5.00, and 3 strips for \$10.00.

Scott Goodrich will be in charge of the Jackpot sign-in.

Juanita Massey and Rich Heavlin will be in charge of initial sign in for the tournament and take the money for the tournament fee.

Juanita Massey will run the computer program for sign-in, scores, and brackets.

Stacey Goodrich will help obtain the bracket scores from each individual in brackets and help out wherever else needed.

Everyone that is selling tickets, doing check-in, etc. needs to show up no later than 8:30 am on the day of tournaments to get set up before members start arriving at 9:00 to check in.

Meeting concluded at 5:25 pm.
